APPENDIX A

This is a Continuation-In-Part application of International Patent application serial No. PCT/JP99/06046 filed on October 29, 1999, now pending, which in turn claims the benefit of Japanese Patent Application No. P1998-308678, filed October 29, 1998, the disclosures of which Applications are incorporated by reference herein. The benefit of the filing and priority dates of the International and Japanese Applications is respectfully requested.
